SHARIAH APPROVAL FOR PAYING ZAKAT FUNDS TO TEACH FOR PAKISTAN

Introduction:

Teach For Pakistan is a national nonprofit working to eliminate educational inequity by recruiting talented graduates to teach full-time in underserved public schools through a two-year Fellowship. Fellows address learning gaps, lead community initiatives, and foster student leadership.

Operating in Islamabad and Karachi, the organization has 172 current Fellows impacting 132 schools and serving over 32,000 students. Its Alumni network includes 352 leaders, 76% of whom continue to work with marginalized communities, driving long-term change in education and social sectors.

Teach For Pakistan is registered as a nonprofit company under Section 42 of the Companies Act, 2017, and is an independent partner of the global Teach For All network.

Method of utilization of Zakat:

TFP financial needs are being covered by general donations and Zakat that individuals and corporates contribute towards. Zakat received by TFP is spent on the benefits of deserving beneficiaries. TFP management checks out the financial condition of applicants in respect of Zakat eligibility and gets zakat agency from the eligible beneficiaries for the TFP. This constructive Tamleek (ownership) enables TFP to collect Zakat on their behalf and right to utilize it as per eligible needs of beneficiaries.

Shariah Ruling:

The undersigned company has been recently appointed as an independent Shariah Consultant to review all Zakat-related documents and procedures.

Following the implementation of the Wakala form and completion of the assessment process, we hereby certify that TFP is authorized to collect and utilize Zakat funds in accordance with Shariah rulings.

May Allah Almighty forgive any mistake in this assignment and grant the management best reward for their services and Allah knows best.
